Mr. Bob Coffman
Coffman Enterprises, Inc.
38 East Moon Valley Drive
Phoenix, AZ 85022

Dear Bob,

Imagine, children and adults with severe physical and cognitive disabilities given the chance to transform their lives with specialized programs, learning devices and equipment, turning inabilities into abilities and impossibilities into possibilities!

ACCEL (*Arizona Centers for Comprehensive Education and Life Skills*) is the largest private, non-profit organization in the southwest, receiving national accreditation and recognition while fulfilling its on-going mission to provide exceptional educational, therapeutic and vocational programs and services to individuals with special needs, giving them the necessary skills to learn, to work and to live successfully with dignity and independence.

There has been an impressive evolution in the programs and services we offer at ACCEL, which include Michael's Garden, our vocational program for adult clients and the BISTA Center, which provides diagnosis and cutting-edge treatment for Autism Spectrum disorder. ACCEL has become a nationally recognized leader in special education and a voice of empowerment for our citizens who cannot speak for themselves.

At this time we wish to sincerely thank you for your support of the special needs community we serve with your generous financial contribution to our annual spring fundraiser, **PLAYING 'FORE' POSSIBILITIES, ACCEL'S Golf & Gaming Gala**, which was held recently at the Pinnacle Peak Country Club in Scottsdale, AZ. Everyone certainly enjoyed participating in the "Caddy fore the Hole" and putting challenges that your company provided. We would highly recommend these "value add" opportunities to other charity golf tournaments! Your donation of **\$615.00** from these two golf challenges helped to insure the success of our fundraiser, and is fully tax deductible.

These challenging economic times make it increasingly difficult to provide the comprehensive programs we offer the special needs community, both locally and nationally. On behalf of the staff, students and adult clients, thank you for ensuring that ACCEL continues its mission to transform "abilities and disabilities into possibilities!"

Board of Directors
