

Arizona Baseball Charities

so every kid can play

February 15th, 2012

Dear Friends of Arizona Baseball Charities,

On behalf of Arizona Baseball Charities I wish to thank you for making our 20th Anniversary a success and for helping us in supporting Arizona Children through sports. Without you we could not succeed.

Children are the future and legacy. Sports teach values that are important in the development of our children. Our goal is that any kid who wants to play should be able to do so and he/she should be able to play on a safe field. We are very proud of our Charity, what it accomplishes and how many kids we are able to help. If you would like to become more involved in our Charity please contact me.

If you donated an item and need our tax number, the Arizona Baseball Charities, Inc. tax ID number is 86-0711373. Arizona Baseball Charities is a 501(c)3 nonprofit charity. Please use this letter as your receipt. Please confer with your accountant on your charitable donation amount. Arizona Baseball Charities will provide you with detailed information if you require it. On behalf of the Board of Directors and the thousands of children we have helped, thank you again for your support.

Sincerely,

Buddy Schultz
Executive Director
