Dear Mr. Coffman,

On behalf of Arizona Baseball Charities I want to thank you for making the 2008 Molina Celebrity Sports Weekend a success. From the Dinner/Auction with great food, a marching band and Michael Finney, to golf in perfect weather, to Sunday's game with \$34,900 being given to 33 Little Leagues from across the state in front of 8,000 fans, all went well.

Without your support we could not succeed. Whether you are a Sponsor, a Board member, a Celebrity, part of the media, or a fan, your contribution made a difference. This year our early results show that we will give \$65,000 to support children through sports from this three day event.

Children are the future and our legacy. Sports teach values that are important in the development of our children. We are very proud of this Event, what it accomplishes and how many people we are able to help. If you would like to become more involved in Arizona Baseball Charities please contact me.
