Dear Bob,

Your participation at the 11<sup>th</sup> Annual Phoenix Rotary 100 Bill Bartholomew Golf Classic will change the lives of our youth. Does that sound like an exaggeration? We do not think it is, and you probably do not either.

Because of your gift, a new Tiger Cub will develop a new relationship with his parents. A Cub Scout will have the thrill of racing his first pinewood derby car. A Boy Scout will attend Camp Geronimo or Camp Raymond this summer and learn a new skill that may begin a career or life long interest.

Your recent support will help the Grand Canyon Council keep its promise to provide the youth of this community with a program of endless possibilities and the development of strong character. Scouting has been doing this for 95 years and America's families and communities expect nothing less.

Scouting helps today's youth develop into tomorrow's leaders and positive members of our society. You have helped ensure that Scouting will be there for generations to come. Scouting thanks you.

Best Regards,

Michael de los Santos
