Dear Mr. Coffman:

Thank you for your generous contribution of \$215.00 supporting the *BGCGS Invitational Golf Tournament*. Your support helps open doors of opportunity to Northeast Valley youth.

Children today need more guidance to ensure that they are successful in life. The door you help open for kids is a door to a place where children receive encouragement, lifelong learning skills, and mentoring from professionally trained staff. There are many people who still think that a Boys & Girls Club provides nothing more than swim and gym time or a place for economically disadvantaged kids to hang out. We are much more than that! The Boys & Girls Clubs of Greater Scottsdale provide more than 100 quality programs that address the needs of ALL the youth who walk through our doors.

The Boys & Girls Clubs of Greater Scottsdale's commitment and focus is centered on helping youth reach their fullest potential through a positive environment, lifelong learning and quality programs dedicated to the arts, education, health, and character development. The Club serves approximately 14,000 youth a year after school and during the summer. Kids and parents rely on our seven Clubs and twelve Outreach sites every day for a safe and positive environment where challenging and enriching programs are offered on a daily basis. For more information about our Clubs, programs, and other opportunities to get involved, please visit [www.bgcs.org](http://www.bgcs.org).

You should be proud of your support to this great cause. Because of your generosity we can work hard to ensure that this organization never turns away a child.

Again, thank you very much for your contribution. Together we can keep the doors of opportunity open and continue to make a difference in the lives of the youth in our community.

Sincerely,

Diane S. Roberts  
Sr. Vice President  
Marketing & Development
