Dear Mr. Coffman,

Our Cub Scout Pack has had the great fortune of being designated by Mark Tansey of Sunrise Golf, Inc., whose company manages the Desert Dunes Golf Club in Desert Hot Springs, California, as recipients of funds that are raised as a part of your Caddy for the Hole program offered at his course. As such, I wanted to take this opportunity to thank you personally, as well as on behalf of the Cub Scouts of Pack 131, for your generous donations and support of our organization.

As you may know, Cub Scouting is deeply rooted in helping to empower boys with the life skills needed to turn away from negative influences by offering a year-round program filled with a variety of character building activities. As of this writing our Pack boasts a membership of 45 Cub Scouts. The donations received from your organization will help us to continue to provide these boys with the resources needed to offer a multitude of fun and enriching activities. As well, your donations will make it possible for us to help those boys of limited financial means with the opportunity to fully participate in all aspects of scouting. For this we are truly grateful.

Thank you again for supporting these boys. Your organization's generosity is sincerely appreciated.

Kindest regards,

Dr. Michael Sanford  
Cub Master Pack 131
