Dear Bob;

Thanks for the "Professionalism" and cooperative manner exhibited by you and your staff during the recent "Palm Springs Celebrity Classic".

As you know, we changed direction to align ourselves with your organization regarding the "on course" revenue streams. I realize each event is so different, however, your ability to go with the flow based on the first days participation contributed significantly to the upgrading of the event.

Continued success in your efforts to enhance the many fundraising events held throughout the valley, Southern California and Arizona.

Respectfully, for greater golf,

  
J. Craig Williamson, PGA  
Tournament Director
