Mr. Bob Coffman  
Coffman Enterprises, Inc.  
Caddie fore the Hole  
38 E Moon Valley Dr.  
Phoenix, AZ

Dear Bob,

Thank you. And God Bless you!

Your patriotism and generosity in support of Patriot Golf Day 2009 deserves nothing less than our sincerest gratitude. I am humbled and inspired to stand beside you in giving back to the service members and families who have given so much to all of us. Simply put, our mission at the Folds of Honor Foundation will not succeed without the remarkable efforts of people like you.

Together with the PGA of America, the USGA, and all the partners and contributors from Caddie fore the Hole, Folds of Honor had another successful Patriot Day 2009. This year's event has shown us all the true colors of this magnificent country. Countless stories of creativity and enthusiasm paint a wonderful picture of citizens like you who truly appreciate the life we have in America. Folds of Honor plans to share that picture with you in the coming year.

As you know, Folds of Honor is dedicated to empowering deserving military families with educational support and opportunities. We will show you the difference you have made – the generation-impacting financial assistance you have helped bring to so many who need our help now more than ever.

On behalf of the Folds of Honor Board of Directors, staff, and many volunteers, thank you for being a Patriot! And thank you for being our wingman's on this vital mission.

Honoring their Sacrifice, Educating their Legacy! We will not leave anyone behind on the field of battle.

Respectfully,

Major Edward Pulido  
Vice President, Iraq War Veteran, Left Leg Amputee
