

Green Valley Junior Golf

January 13, 2010

To Caddie for the Hole:

Please accept our collective THANK YOU from the parents and children of Green Valley Junior Golf Association for your recent fund raising efforts. Your support and generosity are greatly appreciated.

Green Valley Junior Golf provides summer lessons and competition for area youth ranging in age from six to 17 years old. Under the direction of Greg Chesney, Junior golfers receive lessons in putting, chipping, use of their short, mid and long irons, and fairway woods, hybrids and drivers. They practice while they play, either on Tortuga par three course for the youngest golfers or on Haven Golf Course for the more experienced golfers. All Junior Golfers have a great time while they learn golf etiquette and how to play the game.

Again, we wholeheartedly say thank you for helping to support the Green Valley Junior Golf Association. Your contribution towards today's youth has future benefits that are without measure.

Sincerely,

A handwritten signature in black ink, appearing to read "Karin J. Rojahn". The signature is fluid and cursive.
