We can't thank you enough for your recent donation of \$175 to the Humane Society of the White Mountains. With the economy the way it is and the number of abandoned animals increasing, we are in need of support now more than ever. Your donations help us shelter and care for the animals, help us feed them, and help us spay and neuter to control animal populations.

It is because of support from people like you that the Humane Society is able to continue its mission of providing humane care to the homeless animals of the White Mountains until we can find forever homes for them.

We thank you for making a difference!

Sincerely,

Your furry friends and the staff, Board and volunteers at the Humane Society
