Dear Bob,

On behalf of the Palm Springs Lions Club, I would like to personally thank you for participating in our Charity Golf Tournament on May 15, 2005, and for your generous donation to our charity fund. "Caddy for the Hole" provided the golfers an exciting and fun event.

The proceeds for this tournament and all our fund-raising events are used to fund our many community service projects in Palm Springs and surrounding communities. For many years we have been supplying eye exams and glasses for qualified children within the Palm Springs Unified School District. In order to serve them more efficiently, we have planned to buy and equip a Mobile Eye and Ear screening unit, which will be used to visit individual schools. The unit will also be used for trips to events like the Flying Doctors visit to the lower Coachella Valley and Mexico.

We also offer a scholarship to qualified seniors from Palm Springs High School.

Our motto is "We Serve," and it is with the support of the community through businesses like yours we are able to continue our efforts.

Sincerely,

Cathy Brant, Secretary
