Dear Friends,

As fall arrives and families return to the routine of work and school our wish children and their families continue the struggle with treatments, hospitalizations and doctor's visits that their life-threatening medical conditions demand. With your help, the Make-A-Wish Foundation® of Michigan is able to provide a positive focus for these special children at a time when they need it most. Thank you for your generous donation of \$505.00 made through Swinging For A Wish Golf Outing.

The anticipation of a heartfelt wish come true can add to the excitement of the wish itself. Sixteen-year-old Taylor has been eagerly awaiting her mall shopping adventure and that much-anticipated day will arrive this month when a limousine arrives to take her to Twelve Oaks Mall in Novi for a day that will be a true delight to this courageous teen. Her constant struggle with Cystic Fibrosis will be forgotten as she decides which items she can't do without as she "shops 'till she drops" with her parents and her best friend.

All of the children receiving a wish this month have been dreaming and waiting for this day. It is because of your generosity that we are able to grant each wish. We extend thanks from Belinda, mom to wish child Marlee, who says "we appreciate...how good it feels to have people show kindness and compassion during some of the difficult times."

Warm regards,

Susan Fenters Lerch
