Dear Bob :

This letter is in appreciation of your helping to put our very first golf tournament ,  
'Pennies for Pets' into operation and a financial success.

With the aid of Caddy for the Hole, and what a concept that was, we were able to put in  
our funding treasury over Four Thousand Dollars after expenses.

Again we thank you for all that you helped us with and when we go into action planning  
our 'Second Pennies for Pets Tournament' we will be in contact with you.

Sincerely,

Christine Madruga, Director  
The Pet Rescue Center, Inc.
