Dear Mr. Coffman:

On behalf of the Board of Directors, I sincerely thank you for your donation of \$230 for the Inaugural Phoenix Public Library Foundation Golf Tournament. Because of you and other members of the community who believe the library is a vital part of our lives, Phoenix Public Library is able to offer programs that encourage us to learn something new, that help us explore a different way of seeing the world, and that enable us to broaden our understanding of our past.

Thank you for helping us make a good library great.

Sincerely,

Toni Garvey
City Librarian
