Subject: San Jose Learning Center Golf Tournament

Dear Bob,

We want to thank you and your representatives for supporting us at the December Golf Outing for the SJ Learning Center. The Ladies that ran the promotion on the par 3 hole and the putting contest were very professional and friendly. Many of our golfers commented on how much fun it was to participate in the promotions. The prizes that you awarded added significant value to the event. I am very pleased that you contacted us about your services. We will never conduct another event without asking you to support us. We will encourage everyone we know who is involved in golf tournaments to include your services in their events.

We look forward to working with you this year.

Best Regards,

Pam and Matt Doyle
