On behalf of SmartRiverside, I would like to thank you for your contribution and/or participation in SmartRiverside's Third Annual Charity Golf Tournament on Monday, October 12, 2009 at the Oak Quarry Golf Club. Your commitment to helping raise money for the Digital Inclusion Program is sincerely appreciated.

The goal of SmartRiverside is to continue to make a difference in the lives of those who would be otherwise unable to have the same technological advantages as you and I. With the help of donations from supporters such as you, we will continue to see improvements with our community accessing technology.

Each year SmartRiverside continues to advance its mission of providing a computer to every disadvantaged household within the City of Riverside. Through the collaboration of both the Project Bridge and Digital Inclusion Programs, we have seen many lives changed and we expect it to only get better!

This year's Dell PC Winner was Tina Carrillo. Tina Carrillo graduated from the Digital Inclusion class taught at Grant Elementary. Tina is an RCC student majoring in Criminal Justice. Tina is also a single mother of two children and is an active member of the PTA at Wells Middle School. She is very busy with community service and has a sincere desire to help people. In addition to her work with disabled children, she also volunteers with the probation department, mostly working with single parents.

The Golf Ball Drop generated \$2,200 in sales while the Silent Auction generated another \$2,500. Thanks to sponsors and donors like you, the SmartRiverside Third Annual Charity Golf Tournament in total raised more than \$40,000 for our community!

Next year's Fourth Annual Charity Golf Tournament is scheduled for Monday, October 11, 2010 at Victoria Golf Club in Riverside.

Thanks again for your generous support of our efforts to our community.

Sincerely,

Executive Director
SmartRiverside
