Support the Troops

My name is Sue Cloonan and I am the manager here at General Old Golf Course. As most of you know, I, along with my husband, feel very strongly about supporting our troops. We ship packages just about every week to soldiers currently serving in Iraq. The cost to ship packages is \$8.90 each and we usually ship 10 boxes at a time. In addition to the cost to ship we are always replenishing the items for the boxes.

We have a strong connection in Chino Hills where we live with the Girl Scouts. They support us with items requested from the attached list as well as their world famous Girl Scout Cookies. Many of the golfers at the course have seen my request for donations and are also contributing with needed items.

The Caddy for the Hole program is a blessing for us. The donations we receive from this program help to offset the cost of both shipping and the expense of replenishing our supplies.

Please be assured that these donations are going directly to "Support our Troops". In the clubhouse you have all seen the Military Board with letters and pictures, most from the Troops that we ship to. If you have a minute after golf to read through some of the letters, you can see how much they appreciate all that WE do for them.

For those who would like to help our in addition to the Caddy for the Hole, I have copied the list of items that we always need on the reverse side of this letter. Donations can be dropped off any time.

We will continue to mail packages year round until they are all home.

We thank you and so do our Troops.

Sincerely,

Sue Cloonan,
General Manager
