

October 2009

Dear Tournament Sponsor:

Thank you for your support of the 6th Annual Emily Sampson Rodgers Memorial Golf Classic.

To honor Emily and all those who continue to fight their own personal battles, your support directly benefits the Phoenix Affiliate of Komen for the Cure. Tournament donations are made through Links for Life, a 501(c)(3) organization.

Your support this year is especially meaningful during a difficult economy and tough time for so many industries and individuals. Thank you for your commitment as we get closer to a cure and support local programs to educate, research, support Survivors, and provide medical care to the indigent.

In just six years, we have raised more than \$328,000 thanks to your generosity!

For those who have supported the tournament for many years and those who were new to this worthwhile endeavor – we appreciate your support and participation.

We look forward to seeing you next year.

Sincerely,

The 2009 Tournament Committee

- Deborah Blake – Jacque Petroulakis – Kris Zeno -

*Emily Sampson Rodgers passed away September 14, 2003 of breast cancer.
She was 38 years old. She was my friend.*
