Dear Mr. Coffman,

On behalf of the children, Board of Directors and staff of The New Foundation, I would like to thank you for your support of The New Foundation. As you know, donations support our programs and enable us to provide the highest quality, individualized, strength-based treatment for children and families in need of our services.

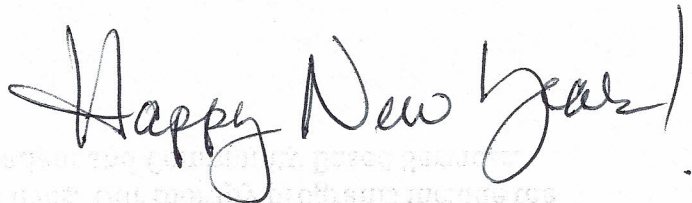

For nearly 40 years, The New Foundation has been strengthening families and helping youth to develop brighter futures. Adolescents, ages 11 through 17, enter the intensive therapeutic programs at the New Foundation only after making a commitment to work hard at effecting positive change in their lives. Our therapy programs include the Marion Burton School, Residential, Outpatient and Community Based Services.

The New Foundation is a 501 (c) (3) tax exempt non-profit organization. For your records, our federal tax ID number is 86-0225726. Your donation in 2009 may qualify as a deduction for state and federal taxes according to individual guidelines. It also may qualify for an Arizona State Tax Credit for charities that provide services to the working poor.

The support of the community members like you helps The New Foundation continue to provide quality, successful programs for youth in need. Thank you for making a difference in the life of a child.

Sincerely,

Stephanie Kegley Scott
