Dear Mr. Coffman:

Thank you for your contribution of \$157.00 to the United Way of the Desert in conjunction with the Westin Mission Hills Golf Tournament.

Your support is sincerely appreciated and will help those in need in the Coachella Valley. With your help, the United Way is able to fund programs that are vital to the needs of our community, and provide services that help meet the growing demands of our local health and human care agencies.

Thank you again for your generosity.

Sincerely,
