

HEMET Golf Club

Landmark

Dear Bob,

I wanted to take this opportunity to let you know how much we appreciate the services you provide to our golfers and local junior golfers. In the past several months that you have been conducting your "Caddy Contest" during daily play, we have received many positive comments from our golfers with regard to the 'fun factor' you referenced when we first discussed the unique program you offer. The golf balls and drivers you have given out have contributed greatly to the 'fun factor.'

From an operations standpoint the customized voucher you developed has increased revenues in our clubhouse as well as food & beverage by thousands of dollars. With the ability to offer these special services to tournament prospects, it has given our golf course an edge over our competing courses.

Bob, I would highly recommend your services to any golf course that wants to increase revenue, rounds played and tournament rounds. Please feel free to use this letter of recommendation in your marketing efforts and we look forward to a long relationship between Landmark at Hemet Golf Club and Caddy for the Hole.

Sincerely,

Shane Baumgart
