Dear Bob,

9/5/12

I wanted to take a moment to thank you for all of the outstanding efforts that your organization has provided Haven Golf Club and Green Valley Junior Golf over the last four years.

First, your staff members are always well dressed extremely knowledgeable and very professional

Second, all of the golfers that participate in your unique Par 3 'Caddie Contest' have opportunities of winning many prizes. The prizes that you offer; golf balls, golf clubs, US Open tickets and Masters tickets not only provide a very nice benefit to our golfers but the added revenue we receive BOTH through the monthly Revenue Sharing (RS) checks you send as well as the Reverse Marketing Vouchers (RMV) allow us to provide services we would otherwise might not be able to provide given the challenging economic climate in the golf industry.

Finally, the money you send monthly to our designated charity, Green Valley Junior Golf, also allows them to reach more kids then they otherwise would have the financial resources to reach.

I would highly recommend your program to any golf course that are interested in the following:

- *Increased Revenue**
- *Increased Rounds Played**
- *Increased Tournaments Booked**
- *Increased the "Fun Factor" for group outings**
- *Faster pace of play**

Please free to present this letter to anyone considering your programs. We look forward to working with you again this season.

Sincerely,

Greg Chesney
