### Out Source Solution for Charity & Corporate Golf Outings

'Caddy for the Hole' is a golf marketing company that has been providing 'outsourcing' services for charity & corporate golf events for over 7 years! "Most of the services we offer to these events are provided for FREE!" stated Bob Coffman from the Coffman Enterprises, Inc., the local authorized dealer. "We not only coordinate ALL the 'on-course' contests we also staff them, provide ALL the prizes, golf balls, golf clubs, tickets and trips, set up & break down as well!" If that was not enough, Caddy for the Hole will promote the event directly to golfers via their weekly presence on golf courses all over the valley as well as through their association with 'The Great American Golf Radio Show, a local weekly radio show dedicated to golf. The promotional side of their services are also provided for FREE as part of their 'on course' contest service package. "As you can see", stated Bob, "we offer the golf committee a significant way to off load some their efforts & responsibilities, at NO COST, to a company that lives and breaths golf events which WILL create more FUN & FUNDS for their event while attracting more players and sponsors as well!" They also provide many other services at very reasonable prices including but not limited to: Tee Signs, Logo'd shirts, hats, towels, leather goods, bags, etc. Gifts, & silent auction items are also available. In addition they have added a Hole in One Marketing Program and a Million Dollar Shot program as well! "Over the years the hundreds of events we have been associated with have asked us to bring more services to the committee and therefore the event. In meeting their request, we have further enhanced our ability to be not only an outsource for most anything they require but indeed a 'partner' in coordinating the event. We end up becoming a defacto members of the golf committee as a result of our efforts and involvement." Coffman stated.

The Caddy for the Hole has been involved with events locally and throughout the US including: Curt Schillings- FORE ALS Golf Tournament, VA Hospital, Habitat for Humanity, The Frank Sinatra Celebrity Golf Outing, Arizona Cardinal Charities Outing, Major League Baseball, Boy Scouts of America, The Palm Springs Celebrity Invitational, Christian Schools of the Desert, Boys & Girls Club, Downtown Urban Community Kids, and dozens of Rotary Clubs, Lions Club and Chamber of Commerce events. "It is almost impossible to list all the events we support, however, we are very proud of the dozens of letters we received thanking us for our efforts." Stated Bob.

Whether your event is going to happen next week or next year, whether it is small or large and whether you need some of their services or all of them you will receive significant support and help from Bob and the experts at "Caddy for the Hole"!
